The City Council Members, representatives of Oakland Fire and Rescue and a few interested citizens discussed the purchase of a new ambulance. Rollins and Newberg expressed that after hearing concerns of some citizens they would rather vote on the purchase at the March regular meeting and give citizens another opportunity to ask question and voice their concerns at the Town Hall meeting on February 28<sup>th</sup>. The fire department members were concerned with the ambulance they are looking at selling between now and March, and therefore costing the City an extra \$10,000 due to emissions changes. No action was taken on the purchase of the new ambulance.

Newberg asked the Mayor and Council how the City Employees are supposed to handle if another situation arises like the school bus getting stuck. O'Brien is waiting on the Attorney General's opinion on this and until then the employees should not help and the City needs to let the school know.

Motion by Miller, second by Hackett to adjourn. 5 Ayes, motion carried
